Description

For Sale a brilliant example of a Maritimo M48 Cruising Motoryacht. Launched in 2008 and has just recently had over \$200,000 spent on her with below additions, services and upgrades.

The Meticulous owner maintains the boat fastidiously and has learnt about all of the boats systems and operations. There wouldn't be an inch he wouldn't know about intimately.

The Maritimo M48 is an incredible feat of design and engineering. She is a genuine long range luxury motor yacht that is a great size for Gold Coast water frontages or not too large for the limited berthing in Sydney or Hamilton Island. Yet, retains all of the stunning features of its larger siblings of the same vintage.

Featuring an internal stair case to a fully enclosed flybridge with aft balcony and walk around side decks.

When performance and ease of operation is at the top of your list, look no further. With advanced hull design, forward mounted engines and fuel tanks positioned amid ship you can be assured superb balance, poise and fuel efficiency without compromise.

Enjoy a turn key summer with the below items completed in the last 18 months.
