Description

BMS Maritimo at Sanctuary Cove are proud to present this factory owned Maritimo X60 here at the cove.

A symphonic blend of functionality dressed in powerful form, the Maritimo X 60 is here to re-imagine the traditional idea of the conventional sport yacht concept. The result is nothing less than extraordinary.

Maritimo fuses its performance pedigree, bespoke materials and innovative design to create unparalleled boating luxury. With its innovative aft cabin, the X60 is a world first in its class. This reimagined motor yacht announces the new generation of Maritimo design and is an exciting prelude of things to come. The X60 aft cabin gives owners a new level of customisation.

The Maritimo X60 aft cabin revolutionises entertaining on water with a game-changing new 'beach club' design. The cabana flows effortlessly into all areas of the boat, creating constant connections between guests and the sea.

Built in Australia by leading craftsmen, we are dedicated to crafting a distinctive sport yacht of the highest quality. Stemming from its illustrious Maritimo bloodline, the X-Series inherits the timeless elegance and unparalleled abilities in the water of its long range motor yacht predecessors. Underneath the hand crafted wood, fine leather and clever ergonomics you'll find the best in nautical design that ensures simplicity, efficiency and cruisability. When it's time for deep-water action you'll find Maritimo's racing edge more than meets the demands of the sports and high performance island hopping adventure.
