Description

Maritimo M51 Cruising Motoryacht - The Maritimo M51 has a new hull update with huge modern windows and an interior update. As per all of our models, she comes with a full beam master cabin.

Come up on to the swim platform and check out the Lazarette which is absolutely huge and is capable of fitting a davit and tender. Walking in the Bi-fold doors you can see the open plan living displayed in all of our models.

The galley can be fit with an optional island bench including a dish washer or storage, a beautiful pull out pantry in the corner next to a full size fridge/freezer. The Full beam master is obviously a spectacle but the size of the forward cabin is also surprising.

There is a huge area aft of the bed fwd of the door which gives you a master cabin feel about it. With the stb cabin we have given you the option of a single bunk or a store room with bench space and storage. Roll up the internal flybridge and that too feels too big for a 51.

A massive rear deck, sliding windows coming in, a rear lounge which can double as a trundle bed and a dash that can fit 2 x 19" screens. Big walk around side decks leads to a very tidy flush foredeck..you must come and take a look this boat is marvelous.
