Description

Behold the Maritimo M70 Cruising Motoryacht! Defined by the ultimate in Maritimo style, engineering, power & outstanding efficiency, everything combines to establish the uniquely commanding stature and natural leader of our fleet.

A true head-turner right down to the finest detail, step aboard and you will be immediately captivated by its space - easily accommodating your family in style, safety and comfort for some genuine blue water passage making.

With four main cabins, including a full beam master and full beam ensuite, plus a massive galley with domestic sized refrigerators and Miele appliances, you can be the master entertainer or just relax surrounded by family and friends. Maritimo's signature internal staircase leading to a flybridge larger than most others saloons plus options such as convertible berths, relocatable tables and a wet bar, will ensure an apartment feel and every creature comfort while on the sea.

When serious cruising is on the agenda the M70 excels. Maritimo's super efficient shaft drive and hull design technology ensure the best fuel consumption in it's class. The perfect example of where engineering and efficiency combine to deliver the ultimate performer.
