Description

Available for immediate delivery is this immaculately presented and very rare Maritimo 70 Sports Sedan Long Range Cruising Motoryacht.

Utilizing the same hull, engines, shaft drive technology and accommodation layout as the very popular and proven M70 Flybridge, this S70 is a fantastic option for those who prefer a single level layout without compromising on space, luxury and the added stability of a sedan vessel.

The S70 has a 4 cabin layout with an exceptional Full Beam width King size master, that boasts a full beam bathroom more at home in a 5 star apartment than a 70' Motor yacht.

The 2nd and 3rd VIP cabins are very large doubles with en suites and a fourth single bunk cabin to starboard.

Visibility whilst underway on the S70 is excellent, made even easier with a full compliment of Garmin Navigation Gear, plus a flir night vision camera.

The large and well equipped galley with bi fold doors opens to the enormous cockpit with only a couple more steps down to the adventure deck where you will find a large BBQ, chest fridge/freezer, sink and of course the hydraulic teak laid swim platform.

Docking is a breeze with the top of the range Twin Disc EJS Joystick system, interfacing oversized hydraulic bow and stern thrusters for superior maneuverability plus position hold "Sky Hook" system to hold the vessel stationary within a marina or on your favorite fishing spot with the reliability of shaft drives.

This vessel gives a genuine, comfortable and economical cruise of 22Kt and a top speed of 28kts. With 8000L of fuel she boasts a class leading range of approx 700NM at 15Kts, 650NM at 20Kts and 1600NM at 9kts.

This vessel successfully sailed to NZ from Australia on original delivery.

Our team sells more Maritimos Worldwide than any other dealership. We will happily assist with a smooth sale and transition to the new owners of this stunning vessel.

Lying Auckland.

\$3,679,000 AUD Plus GST if Applicable.
