Description

For Sale Maritimo X60

Profile photos coming soon...

Step aboard the Maritimo X60 2021, a meticulously maintained vessel designed for the dedicated boating enthusiast. Every inch of this yacht exudes perfection, from the moment you set foot on its welcoming deck. The journey begins on the expansive hydraulic platform, granting access to the cockpit and the X60's Beach Club. The cockpit features a large euro seat facing forward, complemented by an L-shaped seat facing aft, separated by a glossy teak folding table—ideal for leisurely lunches.

Sliding doors lead to the spacious galley and saloon area, where entertaining is effortless. The galley boasts top-of-the-line Miele appliances, including a full-height pantry, fridge/freezer, combi-microwave, oven, induction cooktop, dishwasher, and ice maker. Perfect for hosting guests or enjoying extended stays onboard.

Descending internal stairs, you'll discover the Beach Club—a haven with a wine fridge, bar fridge, and a large TV. Imagine yourself on the hydraulic platform, just above the waterline, watching the waves. A convenient toilet and shower in the Beach Club ensure your comfort. The space can even transform into a 4th ensuited cabin, complete with air conditioning and a fold-out bed.

Inside, panoramic windows and sunroofs flood the saloon and galley with natural light. The U-shaped lounge with an in-laid table offers a cozy dining spot, while an adjacent lounge and entertainment unit create an inviting atmosphere. The accommodations include a forward VIP cabin with an angled island bed and a two-way ensuite/dayhead with Calcutta flooring. The 3rd cabin features unique cross-over bunks, providing ample space and ventilation. The full-beam Master Stateroom boasts a king-sized bed and ample storage.

Below deck, you'll find the powerful Volvo D13, 1000HP engines, delivering a total of 2000HP. Maritimo's advanced shaft drive and hull design technology ensure exceptional fuel efficiency for long-range, high-speed blue water cruising. Maneuvering the yacht is effortless, thanks to the Twin Disc EJS joystick system and the yacht controller. Additionally, a lithium battery bank provides 240v power without the need for a generator while underway or at anchor. The engine room offers ample standing space, an Idromar 260L p/h watermaker, and storage racks over the engines.

This Maritimo X60 is the epitome of spacious luxury and offers a myriad of entertainment options for relaxed yachting. Don't miss the opportunity to experience the highest level of craftsmanship and sophistication on the water.

- Trademark X-Series Beach Club and hydraulic platform
- Fold-out bed transforms the Beach Club into a 4th Ensuite Cabin
- Panoramic windows and dual sunroofs
- 3 bathrooms, 3 cabins + transformable Beach Club
